Dear Jeannie:

Thank you so much. I tried to place a DOT request however the system was not working properly. There are several streets that have been slurry coated within the last two months and the striping division of LADOT has not been back to paint the limit lines.

Dear Jeannie:

There are several areas within the Hollywood Media District where the Bureau of Street Services has slurry sealed the street and the stop "limit" lines have been slurried over. This is on Seward from Lexington to Romaine. Can you please let the correct Department know that we need to have them painted back on.

Thank you
